

LA&HA Institute

FotonaSMILE Laser Dental Aesthetics Workshop

Dedicated to Research & Education on the Medical Power of Light

Location:
LA&HA Institute
(Ljubljana, Slovenia)

Date:
June 15th, 2026

PROGRAM

FotonaSMILE with Dr. Linhlan Nguyen

This workshop includes real-time demonstrations of various dental and aesthetic treatments that the LightWalker system can provide. It focuses on the integration of facial and dental aesthetics into the overall treatment plan and offers a comprehensive review of the technologies available with LightWalker for both dental and facial aesthetic applications. Special emphasis is placed on the **seven secrets of FotonaSMILE applications**:

1. **TouchWhite®** Teeth Whitening
2. **LipLase®** lip rejuvenation
3. **Gingival Depigmentation**
4. **SmoothLiftin®** (intra-oral mucosa tightening for nasolabial folds reduction)
5. **Gingivectomy and Crown Lengthening**
6. **Skin & Mucosa lesions** (Herpes, Aphthae, Vascular lesions, ..)
7. **Ceramic Debonding**

All participating principal lecturers are certified Lecturers of the Laser and Health Academy.

The **Laser and Health Academy** is an independent institution developed and founded with Fotona's support to advance medical, technical, and scientific knowledge in lasers and their application in medicine and dentistry. It serves as a platform for exchanging and disseminating scientific knowledge among peers and promoting evidence-based laser medicine and dentistry among practitioners and the public.

The Academy's key activities focus on practical instruction and demonstration of laser techniques and procedures. These are delivered through various workshops, seminars, and specialized events at the Laser and Health Academy's training and demonstration facility or on-site at the Laser and Health Academy Lecturers' surgeries and clinics.

Visit www.laserandhealth.com for more information about the Academy's activities and the use of lasers in medicine and dentistry.

Places to stay

Ljubljana has many accommodations to suit everybody's tastes, needs, and budgets. The following hotels are particularly popular with our workshop participants and are recommended by us. You can find a broader selection of accommodations on www.visitljubljana.si.

Pleasant and modern hotel just minutes' walk from the city center.

The Eurostars Hotel Company in Ljubljana features three hotels with different concepts, all on a top location in the city center of Ljubljana, Slovenia.

Since 1964 **Fotona** has been a pioneering laser technology company. Our laser systems result from over 60 years of experience, know-how, and expertise in medicine, communications, and industry. When you choose Fotona, you choose the world's highest-performance, best-made laser systems.

Ljubljana is considered a city that suits everyone, from its inhabitants to its numerous visitors. It maintains a small town's friendliness and possesses all the characteristics of a more significant metropolis.

Due to its geographical position, Ljubljana also represents an ideal starting point to discover Slovenia's amazingly diverse features and beauty.

www.ljubljana-tourism.si

Slovenia lies at the heart of Europe, where the Alps and the Mediterranean meet the Pannonian plains and the mysterious Karst. Slovenia is a great tourist destination as a small, beautiful, and picturesque country.
