

## Call for Abstracts and Invitation for Participation

The Laser and Health Academy (LA&HA) invites you to submit abstracts for the 6<sup>th</sup> LA&HA Symposium to be held on Friday, May 20<sup>th</sup> 2016, at the Conference center of Hotel Golf in Bled. This international event, co-hosted by Fotona, is designed to promote research and education among medical professionals in the field of laser medicine, with a focus on practical instruction and the presentation of the latest laser techniques and procedures.

## Subjects

Submissions are encouraged from a wide range of laser applications in the fields of:

- Dentistry
- Aesthetics
- Surgery
- Gynecology

## Presentation and Publishing

Authors of accepted abstracts will have the opportunity to present their lectures at the 6<sup>th</sup> LA&HA Symposium as **Oral presentations**: these are 15 minute presentations with an additional 5 minutes for questions & answers.

All accepted abstracts that will be presented as oral presentations and posters will be published as full articles or summaries in the 2016 issue of the Journal of the Laser and Health Academy. Alternatively, authors can decide to submit their lecture in the form of a short one-page case study with before / after images that will, if accepted, also be published in the 2016 issue of the Journal of the Laser and Health Academy. Submission of the abstract constitutes permission for LA&HA to publish the abstracts in either printed or electronic format.

## Submission Deadlines

Authors wishing to submit materials should provide Fotona with the title and abstract by **March 25<sup>th</sup> 2016**.

Full articles/manuscripts (or summaries /case studies) must be submitted by **April 8<sup>th</sup> 2016**.

## Submission Process

All materials should be sent to [journal@laserandhealth.com](mailto:journal@laserandhealth.com). Please note the following submission [guidelines](#) and [instructions](#) for authors.

## Review Notices

Abstract review results are expected to be sent by email on April 1<sup>st</sup> 2016.

## Registration

Please note that all oral and poster presenters will be registered as delegates for the LA&HA Symposium. On-line registration and booking will be available in March.

The Laser and Health Academy also invites all laser experts, who will not be submitting abstracts, to attend the LA&HA Symposium and stay informed about the latest trends and practices in laser technology and treatments. A preliminary program will be sent by the end of April 2016.
